

# THE 3 STEP

## CAREER TRANSITION TOOLKIT

### BUILD | EXPLORE | THRIVE

**BUILD**

1

Focus on you achievements and all you have accomplished to date.

Build on your strengths and learn how to explain them confidently to others.

Learn more about yourself, what fires you up? What are your passions?

Discover what is the best fit for you and focus your search..

Determine a path for your career, building on where you are now.

Delve into different career options and research what is out there.

**EXPLORE**

2

**THRIVE**

Create your story to so you can connect the dots for hiring managers.

Dig into your search, widen your net by using your connections and social media

Learn various techniques to land that new job or career

PLUS, we offer coaching and a community to help you navigate this transition. Join us! Go to [Career Transition](#) to learn about our options. [Click here](#) to sign up for our email. [Click here](#) to book a call to learn more.
